TEMPORARY SERVICES

Dear Katherine:

We are pleased to award you Manpower's prestigious Tiffany Award. The Tiffany is reserved for those Manpower employees who have demonstrated exceptional service to customers and co-workers. Your help in the Manpower-Southpark office over the last few months has been invaluable in helping us through the growth our office has been experiencing. We are pleased to have had you work with us, and hope that you will call Manpower if you ever need to work temporary again.

Thank you again for a job well done.

Sincerely,
